

Assignment: 1

1] Define a problem Statement and give a brief Executive Summary Snapshot.

A) Executive Summary.

÷ The milk dairy owner come to me for regarding problems faced by him for his milk dairy. I asked him what are the major problems faced by him. The major problems faced by his dairy daily 100 to 400 customer comes to take milk but he don't know how many liter milk want to his customer. His milk dairy is in village.

B] Project Description:

As I identify all the problems tell by him and conclude him that we will make a app for your milk dairy that can help you to understand how many milk you want to store daily. We want your yearly monthly data to analysis. & we make first page as login page, the customer can login to your app they take milk they want.

- Users can pay online also the payment on app.
- User can check their history when we take milk or not.

c) Project Scope.

- Increase the Customer to ~~his~~ his dairy.
- By advertising shop online that will increase the sale of online milk.
- we can advertising his local areas.
- The deadline of these Project is max to max 9-10 months.
- The cost of the project is around ~~8000~~ 7 to 8 lakhs.
